Dear Parents and Carers,

All children attending Beckside Preschool will have a personal on-line Learning Journey called Tapestry, which records photos, observations and comments, in line with the Early Years Foundation Stage, to build up a record of your child's experiences during their time with us. Staff will need time to become familiar with using Tapestry before we allow access to parents. You will however, be able to view your child's journal online in the setting.

Tapestry is a system, which is hosted in the UK on secure servers. These servers confirm to very high environmental standards and are proactively managed 24 hours a day. Each Tapestry account has its own database and the code itself is developed using hack-resistant techniques. Filenames are encoded for uploaded, videos and images, making Tapestry a safe and secure on-line Learning Journey tool. The benefits to yourselves from Tapestry being on-line means you will have secure access (via a website which you login to using your email address and a password) to your child's Learning Journey and, in addition to viewing our contributions, we encourage you to add to it by uploading photos and comments, or commenting on observations made by us.

In order for your child's Learning Journey to be created please give us permission by completing the attached slip as soon as possible and returning to preschool. Also if you provide your E-mail address and a 6 digit password which can including letters and numbers we will set up an account enabling you to access your child's learning journey via the secure Tapestry website.

If you have any questions or queries about the on-line Learning Journeys please do not hesitate to ask a member of staff.

Many Thanks
Beckside Preschool
