

Early Years Entitlements (EYE) Funding Parent Agreement & Policy

Key Provider responsibilities

Beckside Pre-School & Nursery will comply with all relevant Legislation and insurance requirements.

Beckside Pre-School & Nursery will deliver the Free Entitlement Places consistently to all Parents, whether in receipt of 15 or 30 hours and regardless of whether they opt to pay for optional services or consumables. Those Children accessing the Free Entitlement Places shall receive the same quality and access to provision as those who are not.

Parents can use their entitlement from 8am to 6pm, Monday to Friday, depending on the hours their child attends. Parents can pay for additional sessions as per our private fee rates. Lunches are charged for over 2-year-olds, but parents can bring a packed lunch if preferred.

Lincolnshire Children's and Families Privacy Notice

Beckside Pre-School & Nursery will provide Parents with their privacy notice explaining how personal data (as defined under the UK GDPR) is Processed and stored. A link to the Local Authority's Children's and Families privacy notice is contained in the Parent Declaration Form. Beckside Pre-School & Nursery will offer Disadvantaged Entitlement places on the understanding that the Child remains eligible until they become eligible for the Universal Entitlement for 3- and 4-year-olds. The Local Authority must ensure that a Child has a Free Entitlement Place no later than the beginning of the term following the Child and the Parent(s) meeting the eligibility criteria for the free entitlement. Alongside the eligibility code, which is the Child's unique 11 digit number, and original copies of documentation, Beckside Pre-School & Nursery will acquire written consent from, or on behalf of, the Parent to be able to receive confirmation and future notifications from the Local Authority of the validity of the Parent's eligibility code. Once Beckside Pre-School & Nursery has received written consent from the Parent, they will verify the eligibility code with the Local Authority.

Lincolnshire Parent Declaration Form

Beckside Pre-School & Nursery will complete a Parent Declaration Form for all Children who access EYE funding. Where a Child attends more than one setting for their Funded Entitlement Place, Beckside Pre-School & Nursery will identify all other providers on the declaration form (including where the Child attends a maintained school provision). Where a Child receives their Funded Entitlement Place at multiple providers, the Parent Declaration Form must accurately reflect the number of hours at each setting and Beckside Pre-School & Nursery will ensure the number of hours claimed across all settings does not exceed the Child's entitlement. Where there is shared parenting, the Parents are to liaise between themselves regarding sharing hours. If the Parents cannot come to an agreement, funding will sit with the Parent who has the Child for the majority of the week.

Total hours available

The total hours delivered between all providers for a Child cannot exceed 570 or 1140 (with a valid eligibility code) across an academic year.

The Local Authority will confirm the validity of eligibility codes to allow the Provider to offer Free Entitlement Places for eligible children aged 9 months and above. The Local Authority will provide a validity checking service to the Provider to enable them to verify the eligibility code. The Eligibility Checking Service (ECS) allows all local authorities to make instant checks for code validity.

Beckside Pre-School & Nursery offer the standard offer of term time only (38 weeks of the year) for over 2-year-olds only. The stretched off, covering 47.5 weeks of the year, is offered to all eligible children from 9 months old. Your funding hours are set out clearly on your invoice.

Supporting disadvantaged children

The Local Authority should promote equality and inclusion, particularly for disadvantaged families, Looked After Children and Children In Need by removing barriers of access to places and working with parents to give each child support to fulfil their potential.

Beckside Pre-School & Nursery will ensure that we have identified the disadvantaged Children in our setting as part of the process for checking EYPP eligibility. We will also use EYPP and any locally available funding streams or support to improve outcomes for this group.
